2019 MEN'S NIGHT SPONSORSHIP OPPORTUNITIES

Attn: Potential Sponsor

Over the past four seasons we have seen tremendous growth and excitement with our weekly men's night. During the 2018 season we averaged over 110 players every Wednesday to participate in men's night with the majority staying after golf for the prize presentation.

To continue upon the success and momentum of 2018, the men's night committee will continue with shotgun events every second month as well as several super-sized events throughout the season, including opening men's night April 3rd and final men's night Oct 2nd. The popular Golden Egg cash jackpot will also return. This thrilling and sought-after prize has made the clubhouse atmosphere following golf one that everyone must see! To accommodate the growing number of participants, men's night tee times will be available from 11:45am – 5pm, with the prize presentation starting at 7:30pm.

The committee is currently looking to attract new sponsors to further enhance and grow our men's night. We have two different sponsorships opportunities available to those interested in supporting the best men's night in Kamloops.

If you would like to know more about men's night and our sponsorship packages, please contact one of the following members of the men's night committee.
