2021 MEN'S NIGHT SPONSORSHIP OPPORTUNITIES

Attn: Potential Sponsor

While Covid dampened many industries in 2020, golf was not one of them. During the 2020 season we averaged over 130 players every Wednesday to participate in Men's Night.

To continue upon the success and momentum of 2020, the Men's Night committee will continue with several super-sized events throughout the season. The popular Golden Egg cash jackpot will also return. To accommodate the growing number of participants, men's night tee times will be available from 11:00am – 5pm.

The committee is currently looking to attract new sponsors to further enhance and grow our men's night. We have two different sponsorships opportunities available to those interested in supporting the best men's night in Kamloops.

If you would like to know more about men's night and our sponsorship packages, please contact one of the following members of the men's night committee.

Ian Henson
Head Professional
