Captain's Cup Tournament - Saturday June 15, 2024

This is a 4-lady team scramble. Teams are formed according to handicap for equality. If you wish to play with a specific person, please indicate it on the sign-up sheet and we will do our best to accommodate you. This is a great, fun tournament for all levels. **Note:** A Golf Canada handicap is required.

Memorial Tournament - Saturday August 24, 2024

This is a tournament to honour the lady members who are no longer with us, but who contributed to the great club that we are today. Participants are placed in flights based on their handicap. Prizes are awarded to the overall low gross/low net winners and runners up as well as winners in the individual flights. **Note:** A Golf Canada Handicap is required.

Match Play – Commences May 7 until August 31, 2024

The hope of the Executive Committee is to have enough players sign up to have both doubles and singles match play. Prizes are awarded at the closing banquet. **Note:** A Golf Canada Handicap is required ... used to determine strokes given.

Low Net Challenge - Commences May 11 until August 31, 2024

The goal is to have the lowest average net score of five rounds. There are 16 days on which scores can be posted and are identified on the "Calendar of Events". No "gimme" putts! Scoring sheets are posted in the ladies locker room. Enter your gross/net scores on the designated day of play. Prizes will be awarded at the closing banquet. **Note:** A Golf Canada Handicap is required.

Ringer Board – Commences April 9 until September 24, 2024

This is a fun way to see what your score could be if you played your best on every hole every time! Place your signed & attested score card in the box provided in the ladies locker room after your first round is played...keep a separate score card for yourself. Then, each time you play a round at KGCC and **better** a hole, circle/highlight the number and sign it along with your playing partner and put the score card in the ringer board box. Don't forget to update your master score card. Chip Ins are also tracked - place a dot under the hole that you got the chip in. At the end of the season you will see what your ultimate game score is for the season. Prizes will handed out at the closing banquet. **Note:** A Golf Canada Handicap is required.
