

KGCC 2024 LADIES DAY MEMBERSHIP

The KGCC Tuesday Ladies Day League promotes women's golf and provides an atmosphere of fellowship for women from mid-April to end of September. Our goal is to have fun, whether you play 9 or 18 holes. Prizes are awarded after dinner --- if you are not in attendance, the results will be on the KGCC website after Thursday. Prizes will be held at the pro shop for pickup.

For those participating in ladies day, a "Diamond in the Rough" draw takes place every Tuesday evening. There are 3 names drawn and awarded \$20 each and the chance to pick out the silver golf ball and win up to \$500. If you are not in attendance and your name is drawn, our pro will draw on your behalf.

Each week you have the **option** to pay \$5 for the 50/50 draw and/or \$2 for the deuce pot.

Scoring: KGCC uses the "Golf Genius" App for tournaments and league play. If possible, please have a member of your group use the Golf Genius app for scoring during play. A weekly GGID number is given to each foursome prior to play. If you require assistance, please see the pro shop. **Note:** Score cards may be used if necessary.

Costs: Non-league KGCC members pay \$12 to participate in weekly skill prizes and \$24 on supersized nights.
